thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost prices:

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Galleries in New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company is New York, accompanied by rivk notlars, will receive in return by express, free of other charge, a richly ornamented Breakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a daguerreotype and the nonlars, they will secure in like manner, a hamisome French Vase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and rivings notlars, they will receive in return a pair of rich Sevres Vases, with the portraits executed equal to minature paintings; and, in like manner, portraits can be reproduced on porcelain wares or Vases of every quality of finish, ranging in perce from Twenty to One Hundred dollars the pair.

N. B.—Be particular in writing the address, town, county and tast distinctly. All let is to be addressed to 'Manager, American F. Tiographiic Porcelain and the county and tast distinctly. All let is to be addressed to 'Manager, and care of the pair. LET ARTICLES, &c.;

TAKE pleasure in announcing to my old friends an Loustomers that after an absence of two years, have again returned to resume the practice of the PHOTOGRAPHIC ART in an its branche old establish-chased the interest of my brother in the old establish-ed Gallery in Union street, and having spent four old Gallery in Union street, and having spent four ed Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have quinted, renovated and enlarged the saite of Rooms throughout. That my facilities are now better to produce first-class work than most Galleries can boast of and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has here to fore gastained but to elevate it to a still higher standfore sustained, but to elevate it to a still higher stand ard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but my work shall not be surpassed North or South,

and now introduce to the public the following new styles: Imperial Phothgraph, India Ink. Pastel Portal Pictures, life size,
Photographs on Canvass, life size,
Visiting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Stereoscopes, on glass or paper.
I still continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in want of anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.
